

INTERNATIONAL *Istanbul* BREAST CANCER CONFERENCE

September 30 - October 02, 2014

Hilton Hotel, Istanbul

www.breastanbul.org

in association with

BREASTANBUL

Presented by

Organized by

Board of Directors

Cihan Uras, Turkey (Chair)	Alberto Costa, Italy / Switzerland
Bahadır M. Güllüoğlu, Turkey (Chair)	Levent Çelik, Turkey
Benjamin O. Anderson, USA	Gökhan Demir, Turkey
Erkin Arıbal, Turkey	Gül Esen, Turkey
Violet Aroyo, Turkey	Moustapha Hamdi, Belgium
Banu Arun, USA	Ümit İnce, Turkey
George Asimakopoulos, Greece	Christos Markopoulos, Greece
Riccardo Audisio, UK	Jaume Masia, Spain
Fatih Aydoğan, Turkey	Mahdi Rezai, Germany
Gül Başaran, Turkey	Francesco Sardanelli, Italy
Yazid Belkacemi, France	Atilla Soran, USA
Nuran Beşe, Turkey	Alphonse Taghian, USA
Neslihan Cabioğlu, Turkey	Şükrü Yazar, Turkey
Julia Camps-Herrero, Spain	Cem Yılmaz, Turkey
Fatima Cardoso, Portugal	Omar Z. Youssef, Egypt
	Akın Yücel, Turkey

Supporting Societies

Turkish Society for Radiation Oncology
Turkish Society of Plastic Reconstructive, and Aesthetic Surgery
Turkish Society of Medical Oncology
Turkish Society of Radiology
Turkish Society of Surgery
AROME (Association of Radiotherapy and
Oncology around the Mediterranean Area)
ASBD (American Society of Breast Diseases)
BHGI (Breast Health Global Initiative)
BSI (Breast Surgery International)
EAoS (European Academy of Senology)
ESO (European School of Oncology)
ESSO (European Society of Surgical Oncology)
EURAMA (European-Asian Society for Breast Disease)
EUSOBI (European Society of Breast Imaging)
EUSOMA (European Society of Breast Cancer Specialists)
MOMO (Mediterranean Multidisciplinary Oncology Forum)

Language of the Course

The scientific language of the course will be English. During the presentations, there will be simultaneous translations in English-Russian-English and English-Arabic-English.

Course 1 - Breast Radiation Therapy / Hall A

30 September 2014

10:00-10:45 Introduction: Why Contouring is Very Important, Transition from 2D to 3D

10:45-11:30 Treatment Planning (Lecture I)

11:30-11:45 Coffee Break

11:45-12:30 Treatment Planning (Lecture II)

12:30-13:30 Indications for Regional Rt Fields and Techniques

13:30-14:30 Lunch

14:30-14:45 Importance of Avoiding Cardiac Exposure

14:45-15:15 Methods to Reduce the Cardiac Exposure to Radiation

15:15-15:30 Discussion

Course 2 - Breast Radiology / Hall B

30 September 2014

Next Generation Screening

To Screen or not to Screen? : Review of Literature

09:00-10:30 Tomosynthesis: The Future of Mammography is Here

US Screening: Is There any Value?

Screening in Moderate and High Risk Patients

10:30-11:00 Coffee Break

Breast MR Imaging

How to Interpret A Breast MRI

11:00-12:30

Pitfalls in Characterization of Lesions

How to Assess MRI Diffusion Sequences

12:30-13:00 Lunch

Course 2 - Breast Radiology / Hall B

30 September 2014

Imaging Through the Footsteps of Breast Cancer

Management of Patients with Nipple Discharge

13:30-15:00 Management of Patients with High Risk Lesions

Imaging in DCIS

Staging of Breast Cancer

15:00-15:30 Coffee Break

15:30-17:00 Workshops

Percutaneous Biopsy Methods: Hands on Workshop
Tomosynthesis : Test Yourself

Course 3 - Breast Surgery / Hall C

30 September 2014

08:45-09:00 Opening (Aim/Scope/Learning Objectives)

RISK

09:00-09:20 Organization of A High Risk Clinic

09:20-09:40 Pitfalls of Breast Cancer Risk Assessment;
How to Discuss Issues with the Patient?

09:40-10:00 Who Should Undergo Risk-Reducing Mastectomy?

10:00-10:15 Discussion

10:15-10:45 Coffee Break

DIAGNOSIS

10:45-11:05 What Does the Radiologist Expect from the
Surgeon to Enhance the Quality of Diagnostic Work-Up

11:05-11:25 Breast Biopsy: Controversies and Pitfalls (Radiologist View)

11:25-11:45 Breast Biopsy: Controversies and Pitfalls (Pathologist View)

11:45-12:30 Discussion

12:30-13:30 Lunch

Course 3 - Breast Surgery / Hall C

30 September 2014

TREATMENT-I

13:30-13:50 Considerations for the Surgeons When Performing Breast Conserving Surgery; Basics of Oncoplastic Surgery

13:50-14:10 Considerations for The Surgeons When Performing Mastectomy for Breast Reconstruction

14:10-14:30 Current Management of The Axilla

14:30-14:45 Discussion

14:45-15:15 Coffee Break

TREATMENT-II

15:15-15:35 Expectations Of Pathologists From Surgeons: Specimen Orientation, Inking, Process, Quality and Outcome

15:35-15:55 What Does the Radiation Oncologist Expect from Surgeons Performing Breast Conserving Surgery

15:55-16:15 What Does The Medical Oncologist Expect From Surgeons

16:15-16:35 Intraoperative Radiotherapy: The Role of Surgeons

16:35-16:45 Discussion

16:45-17:00 Closing Remarks / Adjourn

Course 4 - Breast Reconstructive Surgery / Hall D

30 September 2014

Fat Grafting For Breast Reconstruction Harvesting, Processing, Injecting: Do They Have any Role in Fat Survival?

09:00-09:30 Technical Aspects

09:30-10:00 Fat Grafting in Partial Breast Reconstruction

10:00-10:30 Fat Grafting in Total Breast Reconstruction

10:30-11:00 Oncological Safety and Guidelines for Fat Implantation

11:00-11:30 Radiologic Evaluation of The Breast has been Reconstructed with Fat Injection

International Istanbul Breast Cancer Conference

September 30 - October 02, 2014

MAIN SCIENTIFIC PROGRAMME

- 17:00-19:00 **Opening Ceremony**
- 17:00-17:10 **Welcome and Opening Remarks**
Cihan Uras (TR)
- 17:10-17:20 **President of Turkish Basketball Federation**
- 17:20-17:30 **TBA**
- 17:30-18:15 **Opening Conference**
Chair: Cemalettin Topuzlu (TR)
The Future of Breast Cancer Treatment
E. Perez
- 18:15-19:00 **Live Performance**

19:00-22:30 **Welcome Cocktail**

Hall A**01 October 2014**

- 08:00-10:00 **Symposium**
- Risk and Genetic Assessment for Prevention**
Chairs: P.Saip (TR), A. Soran (USA)
- 08:00-08:20 **Genetics for Breast Cancer Susceptibility**
H. Yazıcı (TR)
- 08:20-08:40 **Screening for High Risk Patients**
C. Kuhl (DE)
- 08:40-09:00 **Risk Assessment at the Clinic**
S. Pruthi (USA)
- 09:00-09:20 **Chemoprevention**
B. Arun (USA)
- 09:20-09:40 **Risk Reduction Surgery**
M. Rezai (D)
- 09:40-10:00 **Discussion / Q&A**

Hall B

01 October 2014

08:00-09:00 Symposium

Controvertial Issues in Radiation Oncology
Chairs: *Y. Belkacemi (FR)* , *A. Öber (TR)*

08:00-08:20 TBA

08:20-08:40 **Axillary Radiothepary with or Without Surgery**
M.Dinçer (TR)

08:40-09:00 **Aged Based Decisions in Radiotherapy**
K.Kiel (USA)

Discussion / Q&A

09:00-10:00 Symposium

Breast Biopsy: Always a Challenging Issue
Chairs: *E. Arıbal (TR)*, *G. Asimakopoulos (GR)*

09:00-09:15 **Needle Biopsy Methods: Advantages and disadvantages**
G. Esen İçten (TR)

09:15-09:30 **Management of High Risk Lesions Detected at Percutaneous Biopsy**
R. Audisio (UK)

09:30-09:45 TBA

09:45-10:00 **Discussion / Q&A**

10:00-10:30 Coffee Break

Hall A

01 October 2014

10:30-11:30 PRO / CON

Breast MRI: Unresolved Questions Over Staging
Chairs: *R. Audisio (UK)*, *L. Çelik (TR)*

10:30-10:50 **Radiological Point of View**
C. Kuhl (DE)

10:50-11:10 **Surgical Point of View**
B. Anderson (USA)

11:10-11:30 **Discussion / Q&A**

Hall A

01 October 2014

11:30-12:30 PANEL

DCIS: More Controversial Than Early Stage Invasives

11:30

Panelists

K. Sandelin (SE)

F. Sardanelli (IT)

Y. Belkacemi (FR)

K. Altundağ – (TR)

Hall B

01 October 2014

10:30-12:30 SYMPOSIUM

Treatment-Related Complications: Prevention More than Management

Chairs: *V. Çelik (TR), A. Sevinç (TR)*

10:30-10:50

Safe Surgery: Is there a magic formula?

T. Mamounas (USA)

10:50-11:10

Management of Common Surgical Complications

F. Aydoğan (TR)

11:10-11:30

Lymphedema: A new approach to an old problem

A. Taghian (USA)

11:30-11:50

Microsurgical Management of Lymphedema

J. Massia (ES)

11:50-12:10

Systemic Treatment: More harm than good?

D. Bafoloukos (GR)

12:10-12:30

Discussion, Q&A

12:30-13:30 LUNCH BREAK

Hall A

01 October 2014

13:30-14:15 SATELLITE SYMPOSIUM

Hall B

01 October 2014

13:30-14:15 ORAL PRESENTATIONS

Selected Papers

N. Cabioglu (TR), E. Ozyar (TR)

14:15-14:30 BREAK

Hall A

01 October 2014

14:30-16:30 SYMPOSIUM

Individualized Local Treatment in Early Stage Cancer: More Need than Ever
Chairs: *B. Alic (TR), H. Alanyalı (TR)*

14:30-14:50 Evolution of Breast Cancer Surgery: From radical to more preserving surgery
C. Topuzlu (TR)

14:50-15:10 Comparison of Localisation Techniques of Nonpalpable Breast Lesions:
Wire vs ultrasound vs ROLL vs Radioactive seed
A. Soran (USA)

15:10-15:30 Controversial Issues in Sentinel Lymph Node Biopsy
C. Markopoulos (GR)

15:30-15:50 Partial Breast Irradiation: Which technique, which dose, which fractionation?
A. Taghian (USA)

15:50-16:10 TBA

16:10-16:30 Discussion / Q&A

Hall B

01 October 2014

14:30-15:30 SYMPOSIUM

Digital Pathology

15:30-16:30 SYMPOSIUM

Pathology NOS

14:15-14:30 COFFEE BREAK

Hall A

01 October 2014

17:00-18:00 PANEL

Breast Reconstruction; Demand Urges the Necessity

Moderators: V. Özmen (TR), F. Santanelli (IT)

17:00-18:00

Panelists

S. Meterissian (CA)

M. Hamdi (BE)

N. Beşe (TR)

G. Demir (TR)

J. Camps-Herrero (ES)

M. Bayramicli (TR)

18:00-19:00 POSTER DISCUSSION SESSIONS

Hall B

01 October 2014

17:00-18:00 SYMPOSIUM

Young Breast Cancer

17:00-17:15

Young breast cancer patients: do they have a different disease?

H. Azim (BE)

17:15-17:30

Reporoductive counseling before ystemic theray: Timing, methods and results

TBA

17:30-17:45

ET : Tamoxifen 5yrs vs 10 yrs vs forever

TBA

17:45-18:00

Adjuvant use of bishosphonates: Rationale, recommendaions

M. Gnani (AU)

18:00-19:00 POSTER DISCUSSION SESSIONS

Hall A

02 October 2014

08:00-10:00 SYMPOSIUM

Reconstructive Breast Cancer Surgery; Technical Issues

08:00-08:20 **Planning of Breast Reconstruction**
J. Masia (ES)

08:20-08:40 **Oncoplastic Breast Surgery**
F. Santanelli (IT)

08:40-09:00 **Advances in Breast Reconstruction with Autologous Tissue**
M. Hamdi (BE)

09:00-09:20 **Expander/Implant Based Breast Reconstruction**
F. Santanelli (IT)

09:20-09:40 **Alloderm – Implant Breast Reconstruction**
S. Jacobson (USA)

09:40-10:00 **Breast Reconstruction and Radiotherapy**
M. Hamdi (BE)

Hall B

02 October 2014

08:00-10:00 SYMPOSIUM

Early Breast Cancer: Tailored Adjuvant Approach

Chairs: *N. Güler (TR) N. Molinas (TR)*

08:00-08:25 **Tailoring Systemic Treatment in Triple Negative Breast Cancer**
I. Carey (USA)

08:25-08:50 **Tailoring Systemic Treatment in Her-2 Positive Breast Cancer**
E. Perez (US)

08:50-09:15 **Tailoring Systemic Treatment in Her-2 Hormone Receptor Positive Breast Cancer**
J. Crown (UK)

09:15-09:40 **Tailoring Radiotherapy Based on Breast Cancer Subtypes and Other Factors**
TBA

09:40-10:00 **Discussion / Q&A**

10:00-10:30 COFFEE BREAK

Hall A

02 October 2014

10:30-12:00 SYMPOSIUM

New Concepts in Breast Imaging; Route Map for Clinicians

Chairs: *G. Acunas (TR), F. Pediconi (IT)*

10:30-10:50 What is New in Breast Imaging

M. Hatzikalas (USA)

10:50-11:10 Imaging Biomarkers in Breast Cancer

J. Camps-Herrero (ES)

11:10-11:30 Molecular Imaging

TBA

11:30-11:50 Breast Magnetic Resonance Diffusion in 2014

F. Pediconi (IT)

11:50-12:00 Discussion / Q&A

Hall B

02 October 2014

10:30-12:00

Molecular Tools in Early Breast Cancer

Chairs: *G. Başaran (TR), C. Yapacier (TR)*

10:30-11:00 From Genes to the Clinic

R. Bernard (NL)

11:00-11:30 Mamma Print: Step further for management of hormone receptor positive breast cancer

F. Cardoso (PR)

11:30-12:00 Discussion / Q&A

12:00-13:30 LUNCH BREAK

Hall A

02 October 2014

13:30-14:15 SATELLITE SYMPOSIUM

Hall B

02 October 2014

13:30-14:15 ORAL PRESENTATIONS

Selected Papers

C. Atalay (TR), O. Er (TR)

Hall A

02 October 2014

14:15-16:15 SYMPOSIUM

Locally Advanced Breast Cancer; Decision-Making to Overcome Controversies
Chairs: *Y. Eralp (TR), N.Z.Cantürk (TR)*

14:15-14:35 Postoperative Radiotherapy Decision and Selection of Radiotherapy Fields After Neoadjuvant Systemic Treatment
K.Kiel (USA)

14:35-14:55 Timing of Sentinel Lymph Node Biopsy
T. Mamounas (USA)

14:55-15:15 Reconstructive Issues
M. Rezai (DE)

15:15-15:35 Role of Systemic Treatment
E. Gökmén (TR)

15:35-15:55 Determining Response to Neoadjuvant Systemic Treatment
TBA

15:55-16:15 Discussion / Q&A

Hall B

02 October 2014

14:15-16:15 SYMPOSIUM

Metastatic Breast Cancer; Better than Yesterday
Chairs: *H. Onur (TR), E. Büyüktunal (TR)*

14:15-14:35 Triple Negative Metastatic Cancer
I. Carey (USA)

14:35-14:55 Her-2 + Metastatic Cancer: Potential Cure in Future
K. Blackwell (US)

14:55-15:15 ER+ Metastatic Cancer: Disarming Endocrine Resistance
G. Basaran (TR)

15:15-15:35 ABC (Advanced Breast Cancer) Guideline
F. Cardoso (PR)

15:35-15:50 Role of Surgery
A. Soran (USA)

15:50-16:05 Role of Radiotherapy
M. Şengöz (TR)

16:05-16:15 Discussion / Q&A

Hall A

02 October 2014

16:15-16:45 COFFEE BREAK

16:45-18:30 PANEL

Breast Health Global Initiative (BHGI) Guidelines: Requirements according to Economic Development
B. Anderson (USA)

Hall B

02 October 2014

16:45-18:30 SYMPOSIUM

Reproductive Issues in Breast Cancer
Chair: *F. Demirkıran (TR), B. Orhon (TR), A. Kebudi (TR)*

Pregnancy During and After Breast Cancer
H. Azim (BE)

Gynecologic Problems in Breast Cancer Survivors
T. Bese (TR)

18:30 CLOSING REMARKS
